Title of Master's Dissertation

 * Please write one letter in one box. The final title and subtitle of the thesis must be exactly the same as those written on this form. The thesis having a different title is not acceptable, even if the difference is only a punctuation mark.

1. Write in block letters(not capital letters) and use arabic numbers.
2. If you have foreign nationality, fill in your country name in the space of "nationality."
3. The title must be written left-justified and one letter should be written in one box even in English.
 A subtitle shall be written after the main title, and twoblank boxes must be left between the main title and the subtitle.
4. The benning letter of the subtitle including "~" or "—" must be written after the two blank boxes as instructed in "3."
5. Submit this form by the deadline after obtaining a signature and a seal (*hanko*) from your supervisor.
6. Any changes in your title including symbols and letters are not allowed after the submission of this form.
 Make a copy of this form to prevent mistakes in the title when you submit your master's dissertation.
